

INCENTIVE PROGRAM GUIDELINES

Through this program, Mercedes-Benz USA, LLC will provide an incentive payment to Eligible Owners and Lessees who have an Approved Emission Modification performed on their Eligible Vehicle since January 1, 2024. MBUSA anticipates that this voluntary incentive program will be available through March 17, 2024, though MBUSA retains the right to discontinue it at any time at its sole discretion.

1. This incentive program applies to current Eligible Owners and Lessees of the following vehicles originally sold or leased in the United States, subject to the exclusions and conditions set forth below:

POTENTIALLY ELIGIBLE VEHICLES	
MODEL	MODEL YEARS
E250 BlueTEC	2014-2016

2. The AEM for the Eligible Vehicle must be installed between January 1, 2024 – March 17, 2024, in order to be eligible for the incentive payment.
3. VINs that have already submitted a claim for payment in a BlueTEC Diesel Matter are not eligible.
4. Persons who opted out of the class action settlement in *In re Mercedes-Benz Emissions Litigation* and persons who are asserting claims (individually or in a class or collective action) in another jurisdiction are not eligible.

5. The application must be completed in its entirety along with all required documentation before the application can be considered for the incentive payment.
6. MBUSA will be the final judge as to the eligibility, interpretation, and fulfillment of all elements of this incentive program. Any payment or benefits received are subject to the Program Guidelines. Incentive payments made by MBUSA do not, in and of themselves, constitute any separate warranty regarding the AEM. The AEM is part of the Emission Modification Program provided pursuant to the US-CA Consent Decree between Mercedes & EPA/CARB, and the AEM and associated Extended Modification Warranty will continue to be available subject to the requirements of that Consent Decree regardless of a customer's participation in this incentive program. Please see <https://bluetecupdate.mbusa.com> for information about the Emission Modification Program and the Extended Modification Warranty provided thereunder.
